The A+ Foundation for West Aurora Schools

The A+ Foundation is a not-for-profit organization that began in 1992 as the Foundation for West Aurora School which then merged in 2008 with the West Aurora High School Alumni Association. The A+ Foundation supports the students, staff, and community and raises money in order to enhance opportunities and provide additional resources which are so necessary to the success of our District.

The goals of the A+ Foundation are to enrich the curriculum of West Aurora School District 129, inspire excellence in students and staff, expand opportunities for community involvement and foster alumni connections. The Mission of A+ is to support and promote educational, cultural and charitable programs for the students and alumni of School District 129.
